Forecast for Tuesday 18 May 2021

Weather: Some patchy cloud possible over the summits overnight and early morning with the chance of an isolated shower. However, the cloud generally well broken. A bright day with some sunny spells, any cloud over the summits soon clearing. A scattering of showers developing, these possible heavy.

Chance of cloud free mountain/hill tops above 800m: 30% overnight and early morning, otherwise 90% or more.

Visibility: Mostly very good or excellent, but lowering in any showers. Poor or very poor in any summit cloud early morning, patches 600m to 900m possible.
